ANTECEDENTS

..... 2016, Parties concluded a natural gas storage contract for the year 2016/2017,
hereinafter referred to as (Contract).

On 2017, (System User) indicated its intention to modify its injection and withdrawal (peak) capacities booked for storage year 2016/2017 from the start of the gas day following the conclusion of this contract until the end of storage year 2016/2017, having regard to Hungarian Gas Storage Ltd.'s "Offer Announcement on Extra Flexibility Service for the period of March 2017" announced on 7 March 2017.

1. Section III.1 of the Contract shall be amended as follows:

III PROVISION OF STORAGE CAPACITIES

1. Firm storage capacities available to the System User in the booked bundles are as follows:

storage working gas capacity:	(unchanged)	kWh
injection (peak) capacity:	(unchanged)	kWh/day
withdrawal (peak) capacity:	*	kWh/day
injection (peak) capacity in March:	**	kWh/day
withdrawal (peak) capacity in March:	***	kWh/day

* In case of long term contracts, the withdrawal capacity of the original contract

** ERSZ specified in the announcement

*** Withdrawal capacity of the original contract minus NKK (the daily withdrawal capacity (kWh/day) specified and renounced by the System User)

2. With regard to the "injection (peak) capacity in March" (ERSZ), Section I.4 of the Contract shall be amended as follows:

The contractual injection cycle shall start at 06:00 on March 2017, and shall end at 06:00 on 1st April 2017.

3. Sections of the Contract not affected by this contract amendment shall remain in force with unchanged content, and additional costs incurred by using other (e.g.: Daily Peak Plus) services that may arise from the contract amendment shall be borne by the System User.

4. Information flow, with particular regard to data supply in relation to using the injection (peak) capacity in March shall be governed by the provisions of the contract affected by this contract amendment.

Parties agree that this contract amendment No. shall be concluded and take effect when signed by both parties.
