

Data Plus

According to the agreement concluded with the System User, MFGT forwards the storage stock level pertaining to the System User on a Gas Day basis for each Gas Day to ACER.

The service can be used if the requesting System User has at least one binding contract with MFGT on using and providing natural gas storage. The Contract takes effect at 06:00 hours on 01 April of the relevant year, and shall be in force until 06:00 hours on 01 April of the subsequent year.

The service can be requested for full months only, partial monthly invoicing shall not be possible.
